

"Enthroned Upon the Cherubim"

Engineering God's Ark of the Covenant

#27 Ex. 25:8-22; 37:1-9 (65); Rev. 11:15-19 (1034)

We begin our study of the holy Tabernacle at the epicenter of holiness, – the Ark of the Testimony "inside the veil" (Lev. 16:2). This is the place where God met with Moses (Nu. 7:89) and later with the High Priest (Lev. 16:12-14). See the honored place of the Ten Commandments (v 16, 21) and the splendor of the Mercy Throne (He. 4:16). Consider the symbolic reminders of the Ark that foreshadow the person and work of Jesus. Then worship him rigorously in the beauty of holiness!
