"I am my beloved's and my beloved is mine." (Song of Solomon 6: 3)

To fully understand the love of Christ for His Church means that He intends for His Bride to reside with Him for all eternity.

1. Many today do not appreciate that salvation specifically means spending eternity with Christ our Lord. *(The Problem)* [Ruth 1:16-17]

2. Christ has promised to prepare a place for each believer that we may spend eternity with Him *(The Correction)*
 - a. Christ has set aside a specific place for His Bride [John 14:1-7 ESV]

 - b. Christ has specifically chosen individual people to join Him in this place [John 17:24-267 ESV]

 - c. Joining Christ in this special place is one of mutual possession [Revelation 21:2-47 ESV]

3. We must understand that our salvation is a relationship of mutual enjoyment. *(The Follow Through)* [Revelation 19:6-97 ESV]
