

**Message Title:** Finding Humility in God's Glory

**Theme:** Humility in God's creation is highly favored but He resists, or even actively works to stop those who are prideful. The problem is how to achieve more humility without becoming proud of it. This considers the automatic increase in humility to those who begin to realize the magnitude of our Creator. It sheds more light on 2 Corinthians 3:18, being changed from glory to glory. The result is a natural humbling in the presence of greatness without any reflection back to self.

**Salient Points:** Grasping eternity, Needing deliverance, Called to preach, God's closer than we think, Gratitude verses glory, Selfish praying, Praying for God's benefit, Humility a great asset, Unselfish humility, The greatest creation on earth, Created for a purpose, What does God really want, Awed by God, Paying God back for deliverance, Why Jesus died, Jealous believers, Gratitude isn't enough.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons.

This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race.

It started in 2007 as God began answering a fervent prayer in connection with Psalm 50:15. "LORD, show me how to glorify you".

The speaker became a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness that everyone had. His excitement and enthusiasm lasted for well over a year, even when some said, "you'll get over it." Slowly his efforts began to focus on responsibility and all of the how-tos of service. As the excitement faded it was replaced with frustration. He has said many times "the most frustrating thing in life is knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described

in Job 5:17-18, that changed everything. He says, "it was much like when I first became a child of God all over again".
