

- a. Women are to be somehow resigned to the fact that they should get over and recover:
- i. From sexual indiscretions. It happened with McCain, Gingrich, and Trump (3 marriages). Who can find fault with this in a nation where, somehow, we have a first lady who has done nude, lesbian-themed photos.<sup>1</sup> What happens in our homes? We could get flippant and expect wives in the church to simply overlook their husband's issues or else face the cold shoulder.
  - ii. From their husband's addictions.<sup>2</sup> Somehow, we want our wives to admit that sometimes we cannot control our impulses, and if they don't admit that this is out of our hands, we may be tempted to get an attitude, and be **embittered**.
