

Because Jesus Christ is alive:

- He is interceding on behalf of those who belong to Him
- He is in the midst of believers who assemble in His name
- He is with those who carry out His Great Commission, even unto the Age
- He is not a victim of death, rather He holds "the keys" of death and
- He sovereignly controls the universe
- He is the Head of the Church
- He lives inside of believers
- He completes us with all spiritual blessings
- He strengthens us for service
- He supplies all of your needs
- He gives peace to our hearts and minds
- He gives gifts to His Church
- He saves all who call upon Him
