Application:

1. There are over 165,000 people within 5 miles of Wildwood, but those are just faceless numbers if we do not have the heart of Jesus. Do you have a personal strategy for winning people to Christ?
2. Are you currently involved in mentoring another believer? Are you currently seeking someone to mentor you?
3. In light of the previous questions, would you be open to a suggestion? OK, here it is: once a month, for the next 12 months, alternate between inviting someone who is a believer and someone who is not yet a follower of Christ, to your house for a time of fellowship.
4. Do you believe God’s power is sufficient for our success? (v. 29)
