“All About Angels: Things We Learn from Angels”

Hebrews 13: 2

I. The angels teach us to treat everyone as if they're **special**.

Matthew 25: 35; Genesis 32: 1, 2a; Daniel 10: 5-6

Angels make a major **impact** when we encounter them.

Daniel 10: 8

The color white is not only linked with purity but also with **joy**.

We are wearing white to celebrate the color the angels most commonly wear and also to celebrate the joy in Christ we commonly share.

Ecclesiastes 9: 7-8; Revelation 7: 9, 10b; Revelation 19: 11-14

II. The angels show us how to truly **worship**.

Angels worship:

- continuously
- wholeheartedly

Psalms 29: 2

Our worship may lack a reverent **fear** of God.

Psalms 89: 7

“Awe”: fear mingled with reverence; a feeling produced by something majestic or sublime.

2 Corinthians 5: 10-11

Our worship may lack unbridled **freedom**.

Exodus 25: 20a; Ezekiel 1: 11, 24a; Ezekiel 10: 5

III. The angels show us how to truly **work**.

Angels work:

- diligently
- quickly

Hebrews 1: 14

What angels do:

- ALL (not just some, no loafers allowed)
- are sent (they are on assignment)
- to minister (serve and work)
- to those who will inherit salvation (their work benefits others)

Psalms 89: 8
