

## Islam or Mohammedanism?

The basic Islamic creed is: "There is no God but Allah, and Muhammad is his prophet."

**Quran 4:80** "Whoever obeys the messenger, he indeed obeys Allah..."

**Quran 4:115** "But whoever opposes the Messenger (Allah bless him and give him peace) after the path of guidance has become clear to him, and follows the path other than that of the believers, We shall keep him in the same state of disorientation he has himself turned to, and shall eventually cast him into Hell and that is an evil dwelling."

### A Brief History of Muhammed

No finished biography of Muhammed appeared until 150 years after his death in Arabia. According to tradition, Muhammed was born in Mecca on April 20, 570 A.D. His full name was Muhammad Bin-Abdullah. Both of Muhammed's parent died before he was six. Earlier, at about 5 years old, while in the care of a Bedouin nurse named Halima Muhammed he became subject to epileptic fits. It is thought that Muhammad could not read or write. The Qur'an says Muhammad was illiterate (*the unlettered prophet*) in **Surah 7:157**.

At the age of nine the boy Muhammad went on a merchandising expedition into Syria. It was with his grandfather and uncle that Muhammad learned to be lordly, and to exercise power, to fast, and to pray at certain specified times of the day. The Quraysh tribe prayed to idols (including Allah) at sunrise, noon, and at sunset; and they faced the direction of the idol black stone and the Kaaba. The black stone was a meteorite that was sent down by Allah to Prophet Abraham and his son Ishmael, to give the precise location of where the Kaaba (the house of God) was to be built by them.

When Muhammad was 25, he married a wealthy Arabian widow named Khadija. Khadijah exercised tremendous influence over Muhammad. History records that Khadijah was an adherent to the Hanif religion, which was monotheistic and claimed its roots back to Abraham via Ishmael, the son of Hagar. However, she had a cousin named, Waraqaah b. Naufal who was a loyal Roman Catholic. Waraqaah became a critical advisor to Muhammed.

In a tract called, "The Prophet", Chick Publications explains that the marriage to Khadija was arranged as a Roman Catholic plot to kill the Jews and conquer Jerusalem for the Pope. Rome wanted a religious leader to rally the Arabs and carry out their dirty work. As time passed, the power of Islam became tremendous. Jews and Christians were slaughtered and Jerusalem fell into the hands of Islam. But instead of giving control of Jerusalem to Rome, the Mohammedan's built the Dome of the Rock in honor of their father, Ishmael. Rome had created a monster.

In A.D. 610, when Muhammad was 40 years old and while wandering the desert caves around mount Hira in solitude, he received a visit from a "majestic being." Muhammad later identified this being as "Gabriel." This majestic being gave instructions that Muhammad was the Messenger of Allah. Muhammad immediately feared that he was suffering from demonic possession. Khadija and Waraqaah however influenced Muhammad otherwise. Despite their assurances, however, Muhammad suffered from extreme anxiety and depression.

In 630 A.D. Muhammed conquered Mecca and cleared the Kaaba (the temple) of idols except one. It was then that he picked the moon god, Allah to be worshipped and declared himself to be Allah's prophet.

Islam claims Muhammed was... "*a beautiful pattern of conduct*", **Q. 33:21**, "*you are of a great moral character*", **Q. 68:4**.

**The Holy Hadith** - a book of what Muhammed said and taught. The Hadith includes some outrageous truths.

- It reveals his admission of being a sinner. Hadith no. 319, vol. 8 quotes Muhammad: "By Allah! I ask for forgiveness from Allah and turn to him in repentance more than seventy times a day." Yet, many Muslims claim that Muhammad was sinless. *Islam teaches prophets that could make minor mistakes, but not sin.*
- Other sections of the Hadith deal with Muhammad's "seal of prophethood," (a fatty lump growing between his shoulders); his prowess as a shaman who controlled the jinn (spirits) who lived in the rocks and trees; his epileptic type seizures when he had a "revelation."
- Fanciful miracles are also attributed to Muhammad in the Hadith. To prove he was Allah's prophet, he once supposedly cut the moon in half with his sword, calmed a crying baby palm tree by caressing its trunk, caused water to flow from his fingernails to slake the thirst of his followers and ate shouting bread which loudly praised Allah while he chewed. It also tells of his 16 wives, 2 concubines and 4 slaves.
- **All Muslims have a devil according to Muhammed. Sahih Muslim Book 39 Hadith 6757** "There is none amongst you with whom is not an attache from amongst the jinn (devil)." (Psalm 55:15)

**Allah or Satan** Allah is said to be the Arabic name for God but is that true?

**The Meaning of Allah.** "Allah" is derived from a compound Arabic word, AL + ILAH = Allah. "Ilah" in Arabic is "God" and "Al" in Arabic is a definite article like our word "the". So from an English equivalent "Allah" means "**The + God**". All pagan cultures have generic terms that refer to their "top god" as "the god". According to Muslims, Allah Has no gender.

**Allah has 99 names in Islam: #10 - Al-Mutakabbir:** The Proud. (Job 41:34) **#61 – Al Mumit:** the life taker, destroyer (Ps.17:4, 1 Cor.10:10) **#78 – Al Muta:** – The Most High. The One who is exalted above all of creation and beyond the highest. (Isa. 14:14)

**Makr** is Arabic for deception. **Qur'an 3:54**—And they (the unbelievers) planned to deceive, and Allah planned to deceive (the unbelievers), and **Allah is the best of deceivers.** (Rev. 20:10)

#### Characteristics of Allah According to the Quran

- **Allah has no son and is not a Trinity.** **Sura 23:91** “**Allah has not taken any son, nor has there ever been with Him any deity...**” (Jn.3:16, 1Jn.4:3)
- **Allah is the Lord of this world.** **Sura 10:37** And this Quran is not such as could be forged by those besides Allah, but it is a verification of that which is before it and a clear explanation of the book, there is no doubt in it, from the **Lord of the worlds.** (2 Cor. 4:4 – Satan is the god of this world)
- **Allah’s word is not sure. He can change it at any time.** **Sura 2:106** We do not abrogate a verse or cause it to be forgotten **except that We bring forth [one] better than it or similar to it.** Do you not know that Allah is over all things competent? (Prov.30:5-6)
- **Allah leads people astray at will.** **Sura 6:39** But those who deny Our verses are deaf and dumb within darknesses. **Whomever Allah wills - He leaves astray;** and whomever He wills - He puts him on a straight path.
- **Allah is a Terrorist.** **Sura 3:151** **We will cast terror** into the hearts of those who disbelieve, because they set up with Allah that for which He has sent down no authority, and their abode is the fire, and evil is the abode of the unjust. Muhammed said, “I have been made victorious with terror” **Hadith 4:52:220 (John 10:10)**

#### Commands of Allah in the Quran

- **Allah commands husbands to beat their wives.** **Sura 4:34** “**Men are in charge of women ... those [wives] from whom you fear arrogance - [first] advise them; [then if they persist], ...strike them.**”
- **Allah commands that you kill your friends and family and your enemies.** **Sura 4:89** They wish you would disbelieve as they disbelieved so you would be alike. So do not take from among them allies until they emigrate for the cause of Allah. But if they turn away, then **seize them and kill them wherever you find them** and take not from among them any ally or helper. (Luke 9:54-55)  
**Sura 8:12** When your Lord revealed to the angels: I am with you, therefore make firm those who believe. **I will cast terror** into the hearts of those who disbelieve. Therefore **strike off their heads** and strike off every fingertip of them. (Eze. 28:19 ...thou shalt be a terror, John 8:44 ...he was a murderer from the beginning...)
- **Allah commands to hate/kill Jews and Christians.** Muhammed said, “The Hour will not be established until you fight with the Jews, and the stone behind which a Jew will be hiding will say. "O Muslim! **There is a Jew hiding behind me, so kill him.**” **Hadith 4:52:220 (John 16:1-3)**
- **Allah commands to beware of Jesus.** Muhammed said, "The most awful name in Allah's sight on the Day of Resurrection, will be (that of) a man calling himself Malik Al-Amlak (the king of kings)." **Hadith 8:73:224**  
According to Islam, Jesus was never crucified. They either grabbed the wrong guy or God made someone else look like Jesus or one of the apostles volunteered to take his place. They teach Jesus was raised alive to Heaven.
- **Allah denounces any other bible.** **Quran 10:37** “And it was not [possible] for this Qur'an to be produced by **other than Allah**, but [it is] a confirmation of what was before it and a detailed explanation of the **[former] Scripture**, about which there is no doubt, from the Lord of the worlds.”

The ideology of fear drives Islam today, but Christians have left a trail of hospitals, universities, orphanages, and institutions ministering to the needs of people the world over.

**Genesis 16:12** And he will be a wild man; his hand *will be* against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren.
