

ISAIAH

Behold My Servants Isaiah 65:1-16

Mac Williams, Pastor
June 25, 2017

1. **The people of Israel, those who should be God's servants, _____ against the Lord by going their own way and brought judgment on themselves.**
 - a. It offends the Lord when people insist on worshipping Him according to their own _____ and not by His commands.
 - b. God is provoked when people worship _____ instead of Him.
 - c. God is repulsed by those who proclaim themselves to be _____ based on a "faith" that they invented.
 - d. God will not be _____ regarding Israel, their judgment is sure; but even in their rejection God will have a remnant who will be His servants.

*"The Jews have a special _____ on the Christian church for they have given the Church the Word of God, guarding the purity of the Scriptures and transmitting them safely down through the generations."
- John G. Lorimer*

2. **In light of God's judgment of His people Israel, the Lord graciously pursues _____ nations to be His servants though they did not pursue Him.**
 - a. It is by the _____ of God that any person has a heart to seek Him.
 - b. The Lord will provide abundant and joyful _____ for His servants.
 - c. The worship of God is not confined to a small area in Palestine, but the servants of Christ—His church will be in all the _____.
