Praxis

1. Considering Rom 10:18, how can you personally be making make God's "gospel" voice in Owasso as pervasive as the sun's light?
2. Considering Rom 10:19, in what ways can your behavior / attitude make unbelievers "jealous" to be in a relationship with Jesus?
3. Considering Rom 10:20 (Isa 65:1) - who do you know that is not "seeking" God? How might you practically begin to "show" God to that person?
4. Considering Rom 10:21, who have you grown tired of holding your hands out to? Meditate on the two halves of Isaiah 65 (1-16, 17-25) - what does this teach you?
