

THE RACE WAR – WHICH LIVES MATTER MORE?

8/9/2020

16th message: **When God is not Seen**

Text: Esther 2 & 3

Theme: We must have a biblical view when it comes to understanding racism.

Today's message is to ground our thinking when it comes to race and racism. How are we to look at this from a biblical perspective? This is far more important than just politics.

The Persians hated the Greeks & the Jews
Haman hated the Jews, but why?

Key passages to help us understand: Exodus 17:8-14; Deut. 25:18; 1 Samuel 15

These were both stories of the Amalekites (descendants of Esau). The enmity between these two nations (notice I didn't say race) dated back 1,000 yrs.

Does God's Word teach you about nations?

Does God's Word teach you about people groups?

Does God's Word teach you about races?

Racism and prejudices are sin

God has created all of mankind in His image

Christ's sacrifice was for all nations & people groups
