

The **Mind** of Christ

Philippians 2:1-11

Introduction to the early
spread and influence of
Christianity in the East

Radical transformations
manifested in
Mahāyāna Buddhism

A wooden mannequin is shown in a contemplative pose, with its right hand raised to its forehead and its left hand resting on its hip. The mannequin is positioned in the center of the frame against a light gray background. The text is overlaid on the mannequin's body.

The mind of Christ –
the **elevation of others**
above one's own self

Emptiness of **the self**
and the benefit of
~~self~~ and others
