

Profesor Albert Einstein came to our
Princeton Evangelical Fellowship meeting at Frick Chemistry Auditorium,
Princeton University, to see the Moody film, "The God of Creation."
I gave him a Gospel tract afterwards. John C. Whitcomb

MONDAY 19 MAY, 1947
139th Day 226 Days to come

Went to religion lecture, & gave
Prof. Thomas a copy of Therefore
Stand & look at. Put a few
more posters around. Went to the
last HISTORY 312 lecture on the
contributions of the Middle Ages.
& studied my Hist 312 text on
the Church history 1300-1400. Ran
around the field for exercise.
Mr. Larsen didn't arrive until
6:40, & Mr. F. came too, bringing
some missionary pamphlets. At
7:30 we showed "The God of
Creation" at Frick. Over two
hundred came, including Albert
EINSTEIN.
