

# Daniel 73 – Epilogue: Applying Daniel's Vision

Dr. Leon L. Sanders

Daniel 12:5-6

# Prologue: Daniel: Book of Revelings – God's Salvation Plan Refined

- ▶ Daniel also revealed the refinement of God's, Christ's, salvation plan to include His incarnation and death which had been a *mystery* in earlier Judaism (Da 9:20-27)
  - ▶ Coming Antichrist revealed building his kingdom on lies, corruption and violence as the final incarnation of the four major empires: Babylon; Persia; Hellenism and Rome {Socialism} (Da 8:22-26; 11:36-45)
  - ▶ Christ judges from a flaming throne of holiness Sinners who face holiness without Christ's righteousness; as they demand (Da 7:9-14; Jn 19:14-16; Ro 1:18-28)
  - ▶ Resurrection implied but not directly revealed until these verses
- ▶ Without Daniel's revealing modern history would make *no sense*; for this reason Daniel is one of the most discredited books
  - ▶ Modern societies' philosophies based on the Four Empires {Gnostic Hellenism}: Asebeia
  - ▶ Christendom embraces Satan's Delusion promoting Satan's globalization (Ge 6:3-5; 2Th 2:3-12)

# Prologue: Today – Increase of False Knowledge

- ▶ Daniel told to *seal* the revelation until its proper time at the end (Mt 24:36)
  - ▶ Daniel not to hide the book; Spirit would not reveal complete meaning until the end; just as Isaiah, Habakkuk and John foretold (Is 29:11-16; Hab 2:2-3; 1Co 2:13-14; Re 10:7)
- ▶ Daniel comments about modern Man: Our Time {Since Pentecost-Shavuot}
  - ▶ People *run to and fro*; restlessness as depicted in Daniel's and John's visions {seas} following their leaders: Ultimately Satan {Government Leaders; Antichrist (Da 7:2-3; Re 12:17-3:1)
  - ▶ Purpose of Satan's *restlessness* was not to follow God's command to *fill the earth*; it was to unify Man against God (Ge 1:28; 9:1; Mt 4:8-10; Re 20:7-10)
  - ▶ Satan unifies philosophy – Scientism *knowledge* in False Prophet's religion to unify Man under his Antichrist based on willing sin of asebeia, ungodliness (Ro 1:18-28; 2Th 2:3-12)
- ▶ Christians must rely on the only source of absolute truth to avoid embracing Satan's delusion: Practice discernment-Mature believers (2Ti 2:14-16; 3:16-17; He 5:11-14)

# Curiosity: Afflicts Angels and Man

- ▶ Now Daniel now reveals that there were two witnesses, angels, who could attest to the veracity, truthfulness, of the vision; but, not to its meaning
  - ▶ These two witnesses are not named but appeared to be cognizant of the vision (De 19:15; He 10:28-29)
  - ▶ The Man in linen above the river is Christ as discussed at the beginning of this vision (Da 10:5-6)
  - ▶ Angels ask **the** questions on everyone's mind, "When and {Who-Implied}?"
- ▶ Position of our teaching
  - ▶ Identities will not be understood until these events occur: End Time (Hab 2:2-3; Mt 24:36)
  - ▶ However, Satan's methodologies do not change; nothing new in history (Ec 1:9-11)
  - ▶ Satan uses these methods building toward his final king(dom) discussed throughout Daniel's book; we see these trends in Birth of the Modern Era (Da 2:40-43; 7:7-8, 19-25)

# Birth of the Modern Era: 15<sup>th</sup>-17<sup>th</sup> Centuries {Approximately}

## Ancient Greco-Rome

- ▶ Western Rome disintegrated by fragmentated change
- ▶ Unification of Religions failed
- ▶ Wars of *Unification* led to assimilation and dilution
- ▶ Rome's economic system collapsed under strain of devaluation
- ▶ Rome's *glory* became guiding aim of Medieval Europe & RCC

## Revived Greco-Rome

- ▶ Medieval Age disintegrated by fragmentated change
- ▶ Roman Catholicism challenged by Reformation
- ▶ Wars of Religion {Governance}
- ▶ Marriage Alliances connected nations into *houses of cards*
- ▶ Development of Financiers
- ▶ *Building Back Better*; again

# Brief Look at Three Trends:

## First Trend-Wars of Control {Religion}

- ▶ Medieval governments based on Roman Catholicism {RCC} forming a tension between monarchy and Pope for legitimacy and Control
- ▶ Reformation *broke* RCC's monopoly of religious Control resulting in Wars
  - ▶ Northern European kingdoms embraced Protestants to legitimize their formation apart from RCC
  - ▶ Southern European kingdoms sought to maintain Control via RCC
  - ▶ Resulted in a long series of wars of Control finally culminating in: *You can have your faith and I can have mine* as neither side strong enough to win (Da 11)
- ▶ Led to Enlightenment {Age of Reason} rejecting religions except Gnosticism
  - ▶ Development of empirical Socialism and its various wars {19<sup>th</sup>-20<sup>th</sup> Centuries}
  - ▶ Development of 21<sup>st</sup> Century Regionalism {European Union}

# Brief Look at Three Trends:

## Second Trend—Intertwined Monarchies

- ▶ What nation-states could not accomplish by war they sought to achieve by marital alliances; just as in Daniel's vision
  - ▶ Catholic-Protestant *royal* marriages sought Control they could not obtain in war
  - ▶ Henry VIII developed his own *Protestant* religion when RCC would not sanction his ongoing divorces as he sought to gain a male heir
  - ▶ Many Germanic *Protestant* regencies intermarried to Russian, British, etc. royalty
  - ▶ These royal marriages were designed to either gain or not lose properties; thus, royal marriages were between family relations: 19th Century Europe's Alliances
  - ▶ In the 19<sup>th</sup> century, Queen Victoria known as the *Grandmother of Europe*
- ▶ God reveals via Daniel Satan's methodologies of lies, corruption and marriages as he refines toward his final goal {Unified Europe}

# Brief Look at Three Trends:

## Third Trend—Non-government Financiers

- ▶ Western Rome's collapse also caused financial chaos that took centuries to *build back better*
  - ▶ Southern Europe – Medici family {RCC} became non-government financiers for the Renaissance and thereafter
  - ▶ Northern Europe – Germanic Jews, Rothschild and Sachs-Goldman, supported both warring parties into the early 20<sup>th</sup> century
- ▶ Corporatism became the major financier using government as their shield
  - ▶ East India Company {Dutch} became first stock market company to develop private trade to finance Dutch wars of independence from RCC Spain
  - ▶ East India Company {British} copied the Dutch model to develop its own military, defeated India, and gain the exclusive monopoly to mint coinage for the British nation; Mercantilism {Socialism} and coinage began boom and bust cycles falsely blamed on market forces: Federal Reserve based on this model

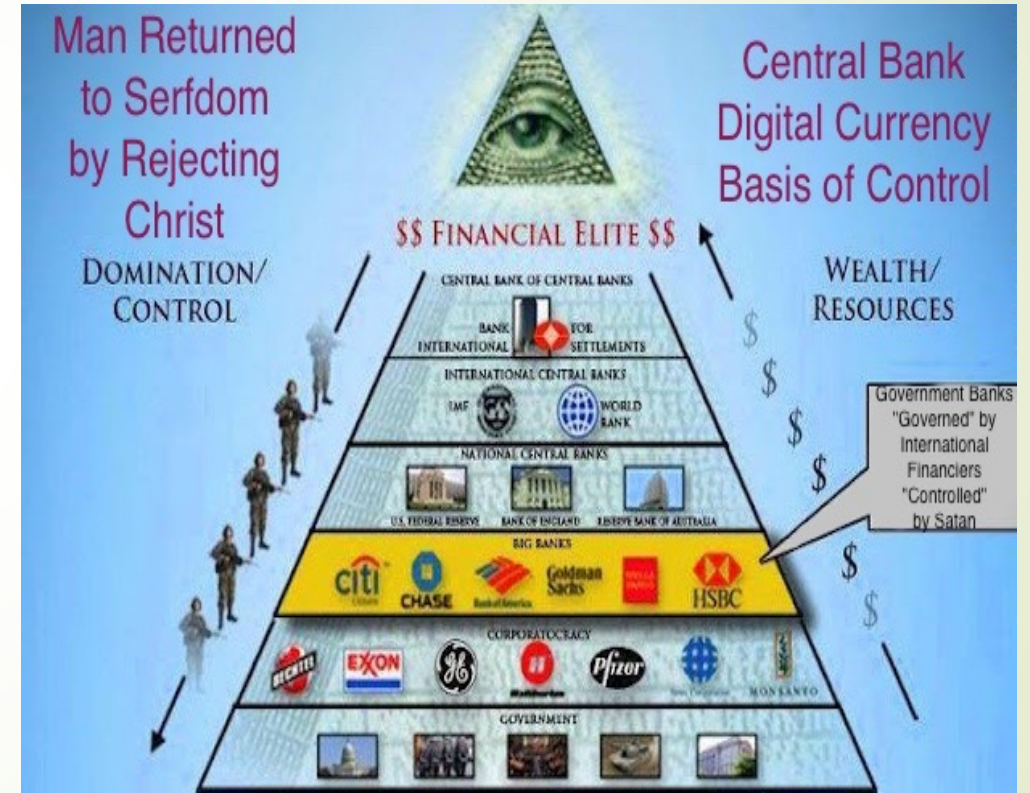

# Today's Ongoing Trend: Building Back Better {Another Reset}

- ▶ 20<sup>th</sup> Centuries wars {World War I & II} removed the debris of monarchial and religious power systems promoting financier Controlled Non-Government Organizations (NGO) {BIS; WEF; IMF; World Bank: Networked together}
  - ▶ After WWI the Bank of International Settlements {BIS} was created to become the Central Bank for all national central banks
  - ▶ After WWII Bretton Woods agreement, coupled with U.N. adoption established a stable currency for world trade and Control over nation-states that is slowly being realized: *Global Governance* instead of International Socialism
  - ▶ Jewish Control curtailed in WWII and given a nation by international financiers just as in Daniel's vision and foretelling their destruction in Revelation (Re 17)
  - ▶ Today, we have the use of viral *warfare* to bring governments under Control of financier *approved* NGOs to strengthen regional {EU} and international Control entities {UN}

# Understanding Daniel: Understanding History and Trends

- Satan is the Master Manipulator
- Elites may or may not understand their relationship to him (Jn 8:44)
- Development of NGO Financiers supersede family-based financiers
- Governments and Corporations require financiers to survive; thus, become subservient to NGOs
- Concentration of resources by the Elites {Satan's Antichrist}
- Control of essential masses: Goal

# Essence of Modern Era: Control

- ▶ Satan's ultimate goal is absolute Control of Man to prove God is author of sin, thus unrighteous to judge; i.e., **no** Lake of Fire (Ps 51:3-4; Ro 3:1-8; He 1; Ja 1:13-17)
- ▶ Modern Era demonstrates various manifestations of Control
  - ▶ Use of Naked Force – Various forms of violence; Empirical Socialism into 20<sup>th</sup> cen.
  - ▶ Philosophies – Replacing God's Gospel with Man's Lies {Enlightenment} to Critical Theory {Reflexivity} buoyed up with Critical Race Theory and LGBTQA+ {Fertile Fallacies}; etc.
  - ▶ Psychology – Control: Conditioning, Propaganda, Peer Pressure, & Logic Fallacies
  - ▶ Psychiatry – Control: Health information; Medications; Diagnosis; & Psych. Drugs
  - ▶ Transhumanism – Development of implantable digital {nanotech} to monitor and Control behaviors {Pain vs Pleasure}

# Computer Digitization: New World Order (NWO)

- ▶ Today we face another great reset, *build back better* as Satan refines his NWO he began with the Renaissance through the Birth of the Modern Era
  - ▶ Digitization early stages had the *allure* of freedom to access information but the late stages has seen significant Control of information by the few to *guide* You
  - ▶ Financier NGOs developing Central Bank Digital Currencies (CBDC): Nationally; Regionally then Internationally to Control **all** buying and selling if not approved (Re 13:11-17)
- ▶ History is a series of stepping stones to the end of this dispensation of *First Fruits: Great Tribulation {Satan's Great Utopia-Dystopia}* (Da 12:1; Mt 24:15-22; Re 7:14)
  - ▶ World is under the Delusion of Satan-Sin because God's Truth is rejected (Ro 1:18-28; 2Th 2:3-12)
  - ▶ We would not know this without the Bible, especially Daniel; Christians are to be wise and reject the Delusion because we know true history (2Th 2:3-12; He 5:11-14)
