

## America the Babylon - Daughter of the Harlot

We begin this message with a warning - that the information contained herein will only be fully understood by those whose eyes have been opened to the truth of the gospel of the Lord Jesus Christ, - and who therefore hold the scriptures of the Holy Bible to be the inspired and infallible word of God.

To those who do not believe as stated, we would exhort you first to repent of your rebellion against God and believe on the Lord Jesus Christ as your only hope of salvation; and **if not**, to put your house in order; because God's word the **Bible** says in Revelation Ch. 18, v. 1:

*1 And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. 2 And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. 3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. 4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. 5 For her sins have reached unto heaven, and God hath remembered her iniquities...*

*8 Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her. 9 And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning, 10 Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come...*

*15 The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing...*

*17 For in one hour so great riches is come to nought...*

**The primary purpose** for this message is to sound a warning to Christians living in America, and elsewhere - that the typical American Christian's view of America itself **must change** - that contrary to the popular Christian eschatology of the past century, America IS indeed mentioned in Bible prophecy; that in fact, what was once called the land of the free and home of the brave; what was once called America the Beautiful - has become America the Babylon - and **is in fact** the last days Babylon described right here in Revelation chapter 18, also referred to in Jeremiah ch. 50 as the daughter of Babylon -

Our purpose is **also** both to **propose** and to **prove** - that as such - as the *daughter* of Babylon - America is in fact the daughter of the true mother that gave her birth; which is not Britain as many believe. While we do believe that America **is** in view in Rev. 18 - America's true mother - from whom she still takes marching orders - is seen in Rev. 17 - as MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH - which we believe is **Rome**.

While on the surface the American War for Independence was a just war in defense against the tyranny of Great Britain, that very tyranny was instigated by other evil forces working behind the scenes to foment animosity and bring about the conflict - and to execute a secret agenda to create a nation that would one day usher in the devil's New World Order. The influences that funded and guided that secret agenda was not just the Illuminati, or the lodges of Freemasonry that Franklin, Washington and other American founders were involved in -

- but was in fact the unseen hand that **guides** those front organizations, and that still controls Washington DC to this day - that being the military arm of the Roman Papacy, the infamous and nefarious **Jesuit Order**, HQ'd at the Vatican in Rome.

As we read thru the OT prophecy of Jeremiah - we see both the prophetic revelation that God gave to Jeremiah of Jerusalem and Judah's impending destruction and captivity, and we *also* see the historical

record of how that nation **rejected** Jeremiah's message and warnings of that doom. In the same way today, most of God's people, like ancient Israel, refuse to acknowledge that America could be the last days Babylon, or that God would bring such a judgment on this land as is described in Rev. 18 and other passages. But we are convinced that honest Bible believers who look at the biblical evidence in light of current world political and economic conditions **must conclude** that truly America is and **must be** the final, last days Babylon of Rev. 18.

While some of the nation's founders were Christian, and while the US Supreme Court has declared in more than one decision that America was a Christian nation, there was without doubt a secret Masonic agenda, guided from behind the scenes by Rome and hidden in the founding of this nation, for America to one day be the catalyst to usher in global government. [show clip of Pinto's video with my voice over] It has been very well documented that many of the nation's founders were Freemasons, and that some, including Franklin, Jefferson and John Adams, were overtly anti-Christian deists who hated the gospel. Though George Washington frequently attended an Episcopal church with his wife, he never once made a public profession of faith in Christ; Washington's avowed religion was that of Feemasonry.

While there is good cause to question if America *ever truly* was a Christian nation, it **is** undeniable that America has until recent times been dominated by a population and culture that at least **professed** to be Christian - with the Bible even being read in its public schools up until the 1960's.

But while most of what comes out of Barack Hussein Obama's mouth are lies, including and especially his **own** claim to be Christian, one statement that he's made repeatedly is true: **whatever** America once was, it **is no longer** a Christian nation. We believe that's because the America that once was has **fallen** - and **has become** the daughter of Babylon - the final prophetic Babylon prophesied in Revelation 18 and Jer. 50-51.

One reason American Christians have failed to see this, has been the popular position of 20th century prophecy scholars, that America is not mentioned in Bible prophecy - that America will simply fade from the world scene, lose its power, and then the Antichrist's kingdom will arise in Europe as a revived Roman empire. However, as once pointed out by Dr. S. Frank Logsdon, former Sr. Pastor at Moody Memorial Church in Chicago:

*"It is unthinkable that God who knows the end from the beginning would pinpoint such small nations as Libya, Egypt, Ethiopia and Syria in the prophetic declaration and completely overlook the wealthiest and most powerful nation on the earth. Too long have we evaded the question. Too long have we summarily grouped our country with the so-called revived Roman Empire. Too long have we persisted in terming the U. S. A. in prophecy as one of the 'lion's cubs,' thus giving her but an inferential mention in the shadow of a diminishing Britain."*

Dr. Logsdon was right - for too long have American Christians evaded the truth - that America is not only mentioned in Bible prophecy - but that it actually holds a very prominent place in ushering in the NWO of the antichrist - in dominating the nations of the earth through economic and military imperialism - in exporting its degradation and filth to the nations of the earth - and in earning in full measure the divine judgment prophesied against her in Revelation chapter 18.

We first offer **4 general proofs** or evidences that America **IS** the final prophetic Babylon of Rev. 18 - and the **1st evidence** we would point to is that the last days are here - Bible prophecy is set to be fulfilled - and America is the only global economic, military and technological super-power that can fulfill the prophecy of Babylon in Rev. 18.

There are several signs indicating that we are indeed in the last days of human history before the prophesied return of the Lord Jesus Christ. Some Christians choose to ignore this fact that is blatantly obvious to others, perhaps because they just don't want to see it.

Some of these blinded Christians cling to another deception - that being the view that most Bible prophecy was fulfilled in the 1st century AD with the destruction of Jerusalem by Rome.

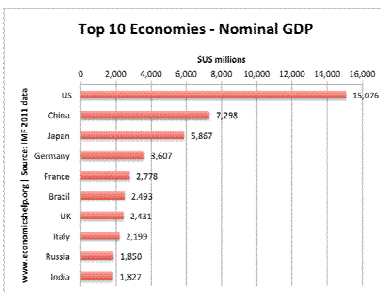

We refute *this* very blinding deception, called Preterism - in a separate audio message found on our website titled the *Relevance of the Revelation*.

But to others who are correctly still expecting future fulfillment of the Bible's predictive prophecies - we would point to several factors that do indeed show that we are now in the last days before our Lord's return, including:

- (1) The **international effort to create a global governance system**, which is centered at the UN headquarters in New York City;
- (2) The **return of national Israel to the world stage** after a 1900 year absence, via the UN's creation of the state of Israel in 1948 and the Jews returning to the land;
- (3) **Technology that enables prophetic fulfillment** - esp. the internationally connected electronic banking system, facial-recognition surveillance system, and the global database enabling literal fulfillment of the literal mark of the beast - and the ability of big brother to now monitor every financial and commercial transaction on the planet; and also:
- (4) **Technology that demands Divine judgment and intervention** - technology wherein man is trying to play God - including biological engineering and cloning; HAARP technology and geo-engineering to control and weaponize weather patterns and even earthquakes - and the CERN Hadron collider which some see as a doomsday machine - among other nefarious top secret technologies, all of which collectively cries out for the intervention of almighty God to "destroy them that destroy the earth" as foretold in Rev. 11:18

So for these and other reasons that could be mentioned we believe we do have very good reason to conclude that we are indeed in the last days of human history before the return of the Lord Jesus Christ - that the hour is late, the players are all on the stage, and the last days are here. And **therefore** - the only world power that **can** fulfill the Rev. 18 prophecy of Babylon at this time - or that will be remotely able to do so any time soon - is America.

America **is the ONLY merchant nation** that has supplied products and merchandise to the entire world as described so clearly in Revelation 18. No other nation has done so.

**2012 GDP**

**United States: \$16.24 T   China: \$8.22 T   Japan: 5.96 T   Germany: \$3.42 T   France: \$2.61 T**

Despite China's economic growth in recent years, with a GDP that has now surpassed Japan's and is twice that of 4th place Germany, America's economic output is still twice that of China's, and that with a much smaller population than China. China's huge problem in becoming a world power is that it has still 1.5 billion mouths to feed.

On a per-capita basis America's economic output **dwarfs** that of 2nd place China.

America **IS** that merchant nation of Revelation 18 that the merchants of the earth love trading with - who were made rich by her - and who will weep and wail one day when they stand afar off and see the smoke of her burning - when her great riches come to nought in one hour, as we read in Rev. 18.

It is undeniable that the last days international currency and accepted medium of exchange has been and still remains the almighty American dollar - upon which is transcribed the motto of the New World Order - **Novus Ordo Seclorum** - and upon which is displayed the Masonic symbology of the Luciferian agenda to create the global government that is also seen also in Revelation 13.

Many today are predicting the imminent collapse of the dollar - but in our view, because the circulation base of the dollar is at least ten times larger than any competing currency, the Chinese yuan and Russian ruble included - the dollar will continue to be the world reserve currency for the next several years, until the time the mark of the beast of Rev. 13 is fully implemented.

But not only is Babylon to be a merchant nation - as America now is - we also know from the books of Daniel and Revelation that the prophesied man of sin - the antichrist - will be a man of war - and will have a war machine that no other nation on earth will be able to confront or defeat.

While Russia and China do pose real threats - and apparently intend to wage war on America in the not too distant future - America **remains** the **supreme global military power** that can dictate to and control the kings of the earth or remove them at will if they get out of line as was done to Sadaam Hussein and Muhamar Ghadafi.

China is trying to build up her military machine - but because of her per-capita economic power, America's military spending is still **5 x** that of No. 2 China. We do see in Rev. 8 & 16 - that China has a part to play in last days events - but China **cannot** be Babylon of Rev. 18 - nor can Russia, Iran, Iraq, or the ancient city of Babylon as we'll see in a moment in **Jer. ch. 50**

**the 2nd evidence** that America is the final Babylon of Rev. 18 - & this is extremely critical in identifying the last days Babylon - is that we're told in **Jeremiah 50:12** that this Babylon - the Babylon being addressed in this chapter, and continuing into ch. 51 - which is the same Babylon referred to in Rev. 18 - must be not only a nation, but a **new nation** - a last days or latter-times nation referred to as the Daughter of Babylon- and America is the only new nation that can fulfill the prophecy of the last days Babylon.

**1st**, there are **3 evidences** showing that the Babylon of Jer. 50-51 is the same Babylon spoken of in Rev. 18:

**#1** is that both passages say all the Nations have drunken of Babylon's wine -  
- the wine of false religion. In **Jer. 51:7** the prophet wrote:

*Babylon hath been a golden cup in the LORD'S hand, that made **all the earth** drunken:  
**the nations have drunken of her wine**; therefore the nations are mad.*

In a clear reference back to that verse, John writes in **Revelation 18:3** - "**For all nations have drunk of the wine of the wrath of her fornication.**

**# 2**, in both passages God tells His people still living in Babylon to **come out of her** to avoid sharing in her judgment:

**Jeremiah 51:45** - **My people, go ye out of the midst of her**, and deliver ye every man his soul from the fierce anger of the LORD.

In another clear reference back to the prophet Jeremiah, John writes in **Revelation 18:4** -

*And I heard another voice from heaven, saying, **Come out of her, my people**, that ye be not partakers of her sins, and that ye receive not of her plagues.*

**The 3rd evidence** that Jeremiah 50-51 and Rev. 18 refer to the same Babylon - is that in both passages we see similar depictions of a complete and final destruction and judgment of the Babylon in view that never took place against or in ancient Babylon. Therefore Jer. 50-51 **cannot** be referring to ancient Babylon.

In these closing chapters of Jeremiah's prophecy we see very similar language to what we read in Rev. 18, of a **complete and final destructive judgment** upon Babylon from which it never recovers.

But while the prophet Jeremiah had much to say in his writings about ancient Babylon - & while there are **allusions** in this passage to ancient Babylon and to Nebuchadnezzar - the judgment described in this passage is **not** a judgment that was ever poured out on ancient Babylon; look in v. 13:

*Because of the wrath of the LORD it shall not be inhabited, but it shall be wholly desolate... -*

*15 Shout against her round about: she hath given her hand: her foundations are fallen, her walls are thrown down...*

*26 Come against her from the utmost border, open her storehouses: cast her up as heaps, and destroy her utterly...*

40 As God overthrew Sodom and Gomorrah and the neighbour cities thereof, saith the LORD; so shall no man abide there, neither shall any son of man dwell therein.

These 2 chapters in Jeremiah - along with their parallel passage in Rev. 18 describe a **total destruction** that never happened in ancient Babylon - and has never yet been fulfilled. We read in Daniel 5 that the Medo-Persian empire conquered ancient Babylon in one night after Nebuchadnezzar's grandson Belshazzar drank himself drunk using the golden vessels taken from the temple in Jerusalem. That night Babylon was taken by the Medes and Persians with no battle - without a shot being fired - and with no damage whatsoever done to that city - almost the exact opposite of what Jeremiah 50 and 51 describe. After the Persian conquest, the city of Babylon remained populated, and even became Alexander the Great's capitol for a time. At the time of Jesus, there were still more Jews living in Babylon than there were in Judea. Historically ancient Babylon remained a significant city until about 400 A.D. when it began to dwindle down into what became a small village, that finally disappeared in about 1400 A.D, and then the desert sands covered up the city until the 1800s.

But the point is that Jeremiah 50-51 has **never been fulfilled**. Jeremiah is **not** referring in these 2 chapters to ancient Babylon - this is another Babylon - this is in fact a last days Babylon. So Jer. 50 and Rev. 18 describe the same Babylon, referred to in Jer. 50:42 and 51:33 as the daughter of Babylon - and also referred to in Jeremiah 50:12 as a new nation.

**So therefore** - having established with relative certainty that we see the same Babylon in view in Rev. 18 and Jeremiah 50-51, now look back at **Jeremiah 50:12**:

*Your mother shall be sore confounded; she that bare you shall be ashamed: behold, the hindermost of the nations shall be a wilderness, a dry land, and a desert.*

This is an extremely significant and key verse in identifying the final Babylon - the Babylon that's in view in this passage and therefore also in Rev. 18.

First, notice that the Babylon in view is not just a city, but is also a nation. Jeremiah refers here to the hindermost of the **nations** - not the hindermost of the cities.

So the Babylon in view here is **not** just a city - it is a **nation**; and by the way, while we're on this point, you better mark this down - to the extent that **the people of this nation** - America - support the wicked policies of Washington DC and its **shedding of innocent blood** - the slaughtering of unborn lives in this land, same-sex sodomite marriage - and its imperial conquest of Iraq and Afghanistan and the other nations of the earth - to that extent this **entire nation** will be judged - and will earn in full measure the judgment prophesied against her.

**Not only** is this a nation in view and not just a city - but also it is the **hindermost** of the nations - meaning the last nation to come up among the other nations of the earth

Jer. 50:12 - behold, the **hindermost** of the nations *shall be* a wilderness, a dry land, and a desert

That word **hindermost** - H319 - אַחֲרֵי־יָתֵי - achāri'yth - *akh-ar-eeth'* - the last or end, also posterity:

- the word occurs 61 times in the OT - always referring to last or end, chronologically
- 3 x the word is translated "last" in the phrase "last days":
- 11 x translated "latter" in the phrase "latter days" as in Dan 2:28 - But there is a God in heaven that revealeth secrets, and maketh known to the king Nebuchadnezzar what shall be in the latter days. "Latter" - that's that word achāri'yth.
- too many times to count - translated "end" "last end" or "latter end" as in Pro 19:20 - *Hear counsel, and receive instruction, that thou mayest be wise in thy **latter** end.*
- also trans. "remnant", "residue" & "posterity" in the OT - meaning latter generations or descendants
- as in Ps. 109:13, "*let his posterity be cut off; and in the generation following let their name be blotted out*"

This Babylon in Jeremiah 50-51 **cannot** be ancient Babylon, because this Babylon is the **hindermost** of the nations - the last of the nations to come up - it is a last days Babylon - a new nation. Ancient Babylon is therefore ruled out as being the subject of this passage.

That also rules out all other present-day world powers including Russia & **esp. China**, one of the oldest civilizations on earth. Russia and China do have a part to play in last days events - we see the involvement of the kings of the east in Rev 8 & 16 - at the 6th trump & 6th vial judgment.

We also see in Dan. ch. 11, the antichrist who goes to war with his armies against those kings and crushes them just before he invades the holy land and is himself crushed. In Daniel 11:44-- the Bible says, "*But tidings out of the east and out of the north (by the way, referring to a China-Russian alliance) shall trouble him [the antichrist]: therefore he shall go forth with great fury to destroy, and utterly to make away many. 45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.*"

We see the stage being set right now for that exact scenario to develop as Russia and China ARE joining forces to try to confront the American empire.

Back to Jer. 50-51 - the Babylon in view here - and therefore also in Rev. 18 - is the last of the nations - a new nation and a last days empire. America **is** the *hindermost* of the world empires - and it **is** also the **posterity** of the nations as that word is also translated - the descendents or last generations of the nations - a new nation that sprang up from the posterity of those nations that preceded it. America is the global melting pot of the world - in itself a microcosm of the New World Order - composed of the last generations of immigrants from the world over.

To summarize then the Babylon in view in Jer. 50-51, and therefore in Rev. 18 - is a new nation - the posterity of the nations. And America is the only **new** nation that can be called a world power - which is in fact the most powerful of nations in these last days - upon whose currency the entire world economy does its trade and commerce.

The Bible says the final Babylon will be the **hindermost** of the nations - and America IS the only nation on earth of any significance that qualifies.

**A 3rd evidence** that America is the final Babylon of Rev. 18, is that the int'l movement and drive to create a global government is clearly being led, spear-headed and funded by America. This is a well-known fact that doesn't need much proof on our part.

Since the close of WWII in 1945, the nations of the world have agreed to send their delegates to America - to New York City in particular, the world's undisputed center of commerce and trade - to what is also the center and seat of what functions today as the only world body assembled for the purpose of global governance - the United Nations General Assembly.

While America is only **one** of 193 nations that have agreed to become UN member states, she provides not only the real estate but also the majority of the funding that allows the UN to function. Officially the USA funds 22% of the UN 's regular budget and 27% of its peacekeeping budget - but according to a recent Heritage Foundation Report, through assessed and other contributions to various UN programs, those numbers more than **triple**. As one of 5 permanent UN Security Council members, America also wields control over UN Resolutions through its veto power.

America is at the center of world government - and is not going to fade from the world scene as was once believed so the antichrist's empire can come out of Europe.

**A 4th evidence** that America is the final Babylon of Rev. 18 - is the abundant evidence of the Rome's direction in the building of Washington, D.C. - and the associated fact that America's institutions and national symbols are intentionally patterned after Egyptian and Roman deities that derive & descend from the Babylonian mystery religion.

Zechariah ch. 5 describes a woman called wickedness that is lifted up between heaven and earth in a basket called "an ephah that goeth forth"

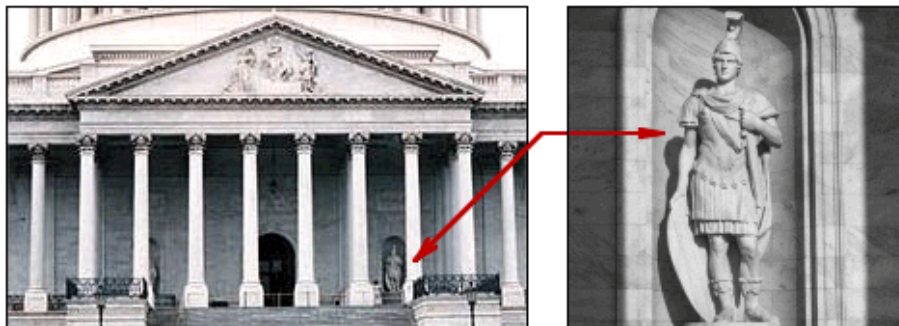

In v. 9 Zechariah says, *Then lifted I up mine eyes, and looked, and, behold, there came out two women, and the wind was in their wings; for they had wings like the wings of a stork: and they lifted up the ephah between the earth and the heaven.* 10 *Then said I to the angel that talked with me, Whither do these bear the ephah?* 11 *And he said unto me, To build it an house in the land of Shinar: and it shall be established, and set there upon her own base.*

Many OT scholars believe Zechariah here describes the spirit of ancient Babylon - wickedness - which was the goddess Ishtar, worshipped as the queen of heaven - being carried away from her ancient location to a new location beyond the Nile river and the great sea. At the time of Christ rabbinic scholars taught that the spirit of Babylon rested at Rome - which certainly became the new capitol of the Babylonian mystery religion - and remains so to this day - the HQ and seat of Mystery Babylon the Great - the Harlot church that infused the worship of the virgin goddess into her rituals.

But then that spirit of wickedness - of the goddess Ishtar - continued moving westward as the Harlot that sitteth upon many waters established another capitol - a political capitol - and that spirit of the goddess Ishtar clearly found another base of operations in Washington DC - the District of Columbia - *another* of the virgin goddess Ishtar's many names.

The influence of Rome and its ancient mystery religion is **undeniable** in the history, town plan and architecture of Washington DC. The land on which the US Capitol Bldg now sits once belonged to Daniel Carroll - a Jesuit-trained Ronan Catholic who signed the US Constitution as a Congressman from Maryland. According to an article on Carroll from the 1902 edition of the Catholic encyclopedia, property records dating from 1663 showed that the land now called the District of Columbia once bore the name of "Rome" - and the branch of the Potomac south of the town was called the "Tiber."

As for Washington's architecture, the portico entrance to the US Capitol building itself is guarded by an idol to the Roman god of war named Mars - known in ancient Babylon as Merodach or Baal.

The dome of the capitol, modeled directly after the Vatican's headquarters, St. Peter's Basilica in Rome - is **topped** by an idol **to** that Babylonian goddess Ishtar, "Queen of Heaven" sculpted in Rome, bearing a sheathed sword, a laurel wreath and shield, and adorned with a crown of 12 stars around a military helmet; officially titled for the Capitol project the statue of freedom.

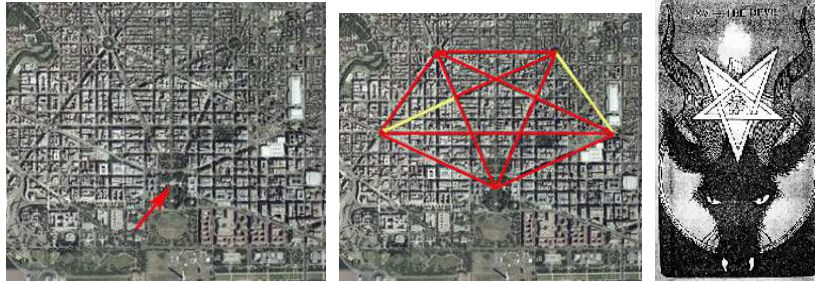

This same lady appears inside the Capitol, where the eye of the dome rotunda's hundred & 80 ft. high ceiling is decorated by a fresco painting, titled the *Apotheosis of Washington* - meaning, by the way, the glorification of Washington as a god - finished in 1865 by Vatican painter trained in Rome, named Constantino Brumidi.

The fresco depicts Geo. Washington ascending into heaven and surrounded, NOT by Bible characters, but by a literal pantheon of Roman deities - including Ceres, Mercury, Minerva, Vulcan, and Neptune, with another representation of Lady Freedom, a/k/a Ishtar, a/k/a *Columbia*, shown with drawn sword in hand trampling down earthly kings and tyrants.

And then also - the town plan and street layout of Washington are laid out in a geometry that blatantly depicts Luciferian and Masonic

symbology - with the White House at the precise point of the apex of an inverted pentagram, symbolizing the intention of the city's Masonic designers - that the mind of the man that occupies that residence should be ruled by the god of the lodge - whom Albert Pike tells us in no uncertain terms, is Lucifer himself.

The White house also centers on the intersection of the two triangles forming a six-pointed hexagram:

- and also centers precisely on a cross of the Knights of Malta.

More Masonic symbology is seen in the Masonic Compass and Square formed by the lines between the Capitol building and the Whitehouse and Jefferson Monuments, as defined by Pennsylvania and Maryland Avenues. The intersecting Mason's square is formed by Louisiana and Washington Avenues, radiating from Union Square.

Notably to the east of the Capitol building is another hexagram - a 6-pointed star, claimed to be the most powerful of Luciferian symbols, which by the way was Solomon's star of his idol to Molech, and was never the star of David.

Notice how this, "eastern star" as it were - emanates from the very center of the capitol dome - from that statue of the virgin atop the dome, - Ishtar, the Queen of Heaven - goddess of Babylon, and also by the way of the Roman Catholic church - and Washington DC.

These things did not happen by accident or coincidence. This city, Washington DC, was planned from its inception to be the future capital of the N.W.O., to be ruled eventually by that man of sin and son of perdition referred to as the antichrist.

## Part 2

So far, in the first half of this documentary, we have offered 4 general evidences or **proofs** of our position - that **America** is in fact the last days entity referred to as Babylon in Rev. ch. **18** and its parallel passage in Jeremiah 50-51.

We now want to show the connection between America and **Rome**, which we believe **is** clearly depicted in **Rev. 17** as the Mother of Harlots - or **religious** Babylon.

The traditional view held by most Christians for the last 400 years and beyond has been that Rome - as manifested in the Roman Catholic Church - **is** Mystery, Babylon the Great of both Rev. 17 and 18. However the fact that the last days Babylon is shown in Jeremiah 50 to be the **posterity of the nations**, or the **last of the nations** to come up, and is also shown in Revelation **18** to be a **merchant** nation, rules out **Rome** from being identified *exclusively* as Babylon, although there certainly **IS** a direct connection and inseparable link between modern day America and Rome.

While New England was settled by Protestant Pilgrims seeking a sanctuary for religious freedom, its important to note that the European conquest of North America was initiated over a century before that by the Spaniards - who claimed this continent for the true King of Spain, the Pope of Rome, long before Jamestown was settled by Anglicans in VA. or the Pilgrims landed at Plymouth Rock.

- and while there certainly **were** many influential Protestants who helped lead America to its separation from Britain, we will show in this message that the America that was born in 1789 was far more the creation of the Vatican and its Jesuit infiltrators than it was of Protestant Christians.

And now, over 200 years after its creation, America is now fulfilling its intended destiny - as depicted on the back of every US one dollar bill - to work in concert with Rome as her proxy to build and usher in the devil's New World Order, the global government of the antichrist, as also seen in Rev. ch. 13.

To begin explaining the connection between America and Rome, we want to look at another important scripture at **Revelation ch 16:19**, which says,

*"And the **great city** was divided into **three parts**, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath."*

This verse says that great city Babylon was into three parts. We also see in Rev. 13 that the empire of the antichrist will have three aspects - political, commercial, and religious. We suggest that the reason Rev. 16:19 says the great city Babylon was divided into 3 parts - is because the New World Order of the antichrist will be dominated from three cities - as it already is dominated, by the way.

**1st**, from the evidence we're presenting of Rome's involvement in the building, planning, and continuing control over Washington DC, we believe that city - Washington DC - can be identified as Political Babylon - which we do believe will be the city through which the Antichrist will come to power. We remind you that as shown in multiple Bible passages including Rev. 13 and the latter half of Daniel ch. 11, the "man of sin" and "son of perdition" known as the antichrist will be a man of war, in control of a war machine that no other nation can defeat.

**2nd** - there is also a commercial Babylon, which we suggest is New York City, headquarters of the United Nations, just a few blocks from what is also the central power base of global commerce and trade, the NY Stock exchange - and also the city identified by that colossal statue of a lady sitting upon many waters...one of the most famous of America's national symbols, what is called the Statue of Liberty - standing in NY harbor, significantly on a star-shaped base with eleven points on the star - symbolic of the 10 kings that give their power and authority to the eleventh king in Rev. 17:12 - and also symbolic of Zech. 5:11, which says that Babylonian woman called wickedness would be removed to another land, and "set upon her own base."

This colossal image **is** actually another image of the goddess Ishtar, the Libertas, with her 7-horned crown, a symbol of the 7 seas upon which she sits as a queen - a clear depiction of the goddess of that "great whore that sitteth upon many waters" of Rev. **17**.

New York City **is** commercial Babylon - the central HQ of global commerce and trade - indeed and in fact, the world trade center, thru which the merchants of the earth **have** become wealthy, as John prophesied 2000 years ago in Rev. 18:3 - "*and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies*"

Rev. 16:19 says the great city Babylon is divided into three parts. America **is** the merchant nation of the world - it is commercial Babylon - with its **commercial** headquarters in New York City - where also the UN Headquarters is located, and also where that huge idol of her mother, the whore of Babylon, stands in NY harbor.

America is also political Babylon - with its **political** headquarters in Washington DC, the city built with Rome's direction on Roman Catholic land, with a blatantly occultic design, to honor Rome and Rome's goddess, that same whore of Babylon, the virgin goddess Ishtar, a/k/a Columbia - and the city from which we believe the Antichrist - the 1st beast of Rev. 13 - will rise to power.

But as the old saying goes - ***all roads lead to Rome*** -

Both of those cities - Washington and New York City - are to a very large extent controlled by and from the religious capitol of Babylon - and that is without question, **Vatican City in Rome** - from which the false prophet - the **2nd beast** of Rev. 13 - will arise.

Back to **Jer. 50:12** - an ***extremely significant*** verse in identifying the last-days Babylon

*Your mother shall be sore confounded; she that bare you shall be ashamed: behold, the hindermost of the nations shall be a wilderness, a dry land, and a desert.*

America is presented in this chapter as the Daughter of Babylon. She is the uncontested last days economic and military superpower that has built a global empire of both commercial and military power that no other nation comes close to matching - but she is also the daughter of her mother; and she still listens to her mother and takes orders from her by the way - but one day she'll tell her mother to get off her back, as foretold in Rev. 17:16, where it says the beast shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire. We believe Jer. 50:12 refers to that same event where it says, *Your mother shall be sore confounded; she that bare you shall be ashamed.*

**Rome** is in fact the true mother that gave birth to America, as opposed to Great Britain. We do see America in Rev. **18** - but in Rev. **17** we see a picture of America's mother - the harlotrous mother church, headed by the Roman Catholic Papacy:

### **Revelation 17:1-18**

*1 And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: 2 With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.*

As the picture of an adulterous woman is used throughout the Bible to depict an apostate, idolatrous religious system, and as Rome has from the days of antiquity been known the **world over** as the city of 7 hills, referenced by John in v. 9 of this chapter:

*...And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth...*

We **do** believe the woman in this chapter IS without doubt - the **idolatrous** Catholic Church, HQ'd at Rome - that parades itself as a Christian organization - in fact claiming to be the only true Christian church and dispensary of God's grace on earth - but that has for centuries promoted a **counterfeit Christianity** that is not AT ALL the Christian religion established by the Lord Jesus and His apostles, but instead incorporates pagan practices, rituals and beliefs adapted from ancient Babylon, **including** the idolatrous worship *of* and ritual prayers **to** the Babylonian virgin goddess Ashtoreth, or Ishtar, Queen of Heaven - renamed Mary by the Catholic Church

*3 So he carried me away in the spirit into the wilderness: and I saw a woman, sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.*

This false religious system is seen riding a beast - which we know from Rev. 13 and Daniel ch. 7 is a beast of global empire and governmental authority. From the time Roman Emperor Constantine commandeered the Roman church in the 4th century - this false church has been hell-bent on global dominion over the kings of the earth - as John also writes in v. 18 of this chapter:

*And the woman which thou sawest is that great city, which reigneth over the kings of the earth.*

From the days of Charlemagne in the 9th century until the Protestant Reformation in the 1500's, the popes certainly did reign over the kings of the earth. But the temporal power it appeared to have lost as a result of the Protestant Reformation, the papacy has now rebuilt through its proxy and its daughter - the American Empire of the 21st century - through which it is covertly regaining its reign over the peoples of the earth.

*4 And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication...*

John gives us a vivid description of the Roman Catholic hierarchy that in apparent intentional fulfillment of this verse decks its bishops and cardinals in purple and scarlet colors - that has over the centuries has amassed to itself untold riches - including control over the major central banks at the center of int'l commerce and trade.

*5 And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.*

The Roman Catholic Church has perpetuated the Babylonian mystery religion - even making repeated use of the term "mystery" in reference to its doctrines, rituals and liturgy, from the "**Mysterium fidei**" - or "mystery of faith" - pronounced by the priests in its abominable practice of the eucharist, to the 15 Mysteries of the Rosary - prayed to its goddess Mary, Queen of Heaven.

John then writes in v. 6:

*6 And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus...*

The Roman Catholic Church is **the entity and organization** that has the blood of **millions** of true Christian martyrs on its hands and a **well documented** and **undeniable** history of many centuries of the most barbarous and cruel forms of torture imaginable inflicted on those martyrs - having ruthlessly butchered, burned and buried many millions more Christian martyrs than Pagan Rome ever dreamed of doing.

Again - as we read chapter 18 of Revelation we see America - the daughter of Babylon - the merchant nation - the hindermost of the nations - the richest nation on earth - but in chapter **17** of Revelation we see Religious Babylon - the **Mother of Harlots**, HQ'd at Vatican City in Rome

We see this harlot religious system - which IS Rome - riding on the beast of a global military empire - & that empire IS the revived Roman/Babylonian Empire - what is now the American empire that Rome helped finance and helped her daughter America to build.

There have been many who have identified America as Babylon of Rev. 18 - but where others have gone wrong and missed the mark - was in failing to show the connection between America and the Vatican in Rome.

That America itself has not only - come to be controlled by the Vatican - through its military arm the Jesuit Order, but that in fact America was from its inception established for an instrument of global domination - & not so much by *Freemasons* - or the *Illuminati* - but by the unseen hand that controls those front organizations and uses them to suit its purposes - that being the Superior General of the Jesuit Order - HQ'd at Vatican in Rome.

The Vatican's military arm - its global network of agents and henchmen and assassins known officially - or ostensibly - as the Society of Jesus, one of the worst misnomers of all time, and known more commonly as the Jesuit Order - has for centuries been carrying out the Vatican's scheme to regain, thru intrigue, subterfuge and subversion - the mastery and total control over the kingdoms of this world that it lost as a result of the Protestant reformation.

The Jesuits engineered and were intimately involved in events that led to the American War for Independence - and the founding of a new republic that broke the power of the British Empire - and that also guaranteed religious freedom - because that also gave the **Jesuits** the freedom to operate where they had been outwardly banished from the protestant kingdoms of Europe.

We hear much today in the alternative media about the NWO and conspiracy for world government, from some well-known men who do get some good truth out - and who talk about the brotherhood of darkness - & the Illuminati - the Rothschilds - the Bilderbergs and the banking cartel - but where these men and many others fall short - is that they fail (or refuse) to identify the real culprits behind the conspiracy for global government - which **IS** the Vatican in Rome - as run from behind the scenes by the Superior General of the Jesuit order.

Today's exposés and exposers of the NWO talk about Adam Weishaupt as founder of the Illuminati in 1776 - but fail to mention that Weishaupt was Jesuit trained - and a loyal Jesuit agent - and that the reason he founded the Bavarian branch of the Illuminati in 1776 - soon after leaving Jesuit Ingolstadt University, by the way, was because of the disbanding and official disestablishment of the Jesuits in Europe by the Pope himself - which **itself** was a smoke-screen and a ruse brilliantly engineered by the Superior General in power at that time, **Lorenzo Ricci** - who we will see is one of the true founding fathers of America

Today's exposés and exposers of the NWO talk about the Rothschilds and the banking cartel - but fail to point out that the Rothschilds are loyal servants to the Superior General - having since the 1700's held the office of guardians of the Vatican Treasury - and therefore it is the **Vatican** that pulls the strings of the Int'l banking system - that has itself been put in place with the ultimate goal of total and complete

global economic control - via the mark of the beast of Rev. 13, which we see in that scripture will be administered by the false prophet - the 2nd beast of Rev. 13 - the Pope of Rome.

To understand who really is pulling the strings behind the int'l banking system - who is pulling the strings of the Illuminati - and the Masonic lodges - and the knights of Malta - and the Bilderbergs - and Skull & Bones - and who is pulling the strings of the puppets and marionettes dancing in the White House and in Congress - and who also pulls the strings of the CFR and the NSA and the CIA and the FBI and the IRS - then we have to look to **Rome**, and in particular to who is pulling the strings at the Vatican. And that is now, - as it has been for centuries - the Superior General of the Jesuit Order - otherwise known as the "black pope," and called that because of his invisibility and remaining in the shadows behind the more visible pope, who is therefore known as the white pope, - who is now by the way, for the 1st time ever, ALSO a Jesuit - and who is therefore by his Jesuit oath, totally subservient to the Superior General of the Jesuit Order - the Black Pope.

We'll detail in a moment how America's creation in 1789 was the result of many years of planning and manipulation by high-placed Jesuit infiltrators working on both sides of the Atlantic. From that time forward the Vatican fully intended to build and maintain control over her. Georgetown University in Washington DC was founded by the Jesuits for that very purpose in 1789, the same year the Republic itself was officially founded.

The Vatican gradually gained complete mastery over American politics just after the Civil war in particular, after Jesuits agents successfully carried out the assassination of Abraham Lincoln. Since that time the Jesuit Order has exerted almost total control over American and European politics - up to and including the creation of the Federal Reserve System, that banking cartel's engineered Great Depression of the 1930's and its resulting New Deal Socialism, the fomentation of two world wars, the assassination of Pres. John Fitzgerald Kennedy - and the events of 9-11/2001 and then the Patriot acts and the NDAA and the detention centers, and the nation-wide facial recognition surveillance system, and the rest of the Nazi police state America is being turned into.

To understand this scheme for global domination and the role of the Jesuits in the founding of America we need to go back a few centuries to the time of the Protestant Reformation and before.

In 1302, Pope Boniface VIII decreed that ["it is absolutely necessary for the salvation of every human creature to be subject to the Roman Pontiff."](#) This doctrine of the Roman Catholic Church has not waned or changed - in fact it was affirmed in the 1964 Vatican II council's *Constitution on the Church* - and it was this doctrine that was the inspiration for the papacy to create the United States of America that materialized in 1789.

The Jesuits were established by Ignatius Loyola in 1538 to enforce this papal doctrine, as a Counter-reformation militia of mercenaries, spies and assassins who swore allegiance only to the Pope and to the Jesuit's Superior General - and whose sole purpose was to return the kingdoms of the earth to submission to Rome by using the military arts of war, after those kingdoms broke away as a result of the Protestant Reformation. Loyola's business plan for the Jesuits - initially to be only a small order of 60 henchmen - was presented to Pope Paul III in 1539, Loyola explained how the society would operate, as a sort of revamping of the Knights Templars, with a Superior General that would answer only the Pope himself. Loyola said his knights would:

["foment and heighten the animosities that arise among princes and great men, even to such a degree that they may appear to weaken each other."](#)

I.e. - divide and conquer.

Loyola also said, Putting aside all private judgment we should always be ready to accept this principle; I will believe that the white I see is black, if the hierarchical Church so defines it." Meaning, among other things, when papal doctrine contradicts the Bible, I will follow the Pope.

Loyola's plan included what is called The *Extreme Oath of Induction* to be administered to those desiring to ascend to the higher ranks of Jesuitism, to the level of officer. The oath was taken before 3 other Jesuits, including the Superior General, flanked by two monks holding two banners, one with the papal

colors of yellow and white and the other a black banner with a dagger and red cross above a skull and crossbones, with the candidate kneeling on a red cross of the Knights Templars or Knights of Malta.

Before taking the extreme oath, the Superior General recounts the candidate's prior schooling in the Order as a spy and infiltrator, stating in part:

*"My son, heretofore you have been taught to act the **dissembler**: among Roman Catholics to be a Roman Catholic, and to be a spy even among your own brethren... Among the Reformers, to be a Reformer...among the Calvinists, to be a Calvinist; among other Protestants to be a Protestant; and obtaining their confidence, to seek even to preach from their pulpits, and to denounce with all the vehemence in your nature our Holy Religion and the Pope...You have been taught to plant insidiously the seeds of jealousy and hatred between communities, provinces, states that were at peace, and to incite them to deeds of blood, involving them in war with each other, and to create revolutions and civil wars in countries that were independent and prosperous...only that the Church might be the gainer in the end, in the conditions fixed in the treaties for peace and that the end justifies the means...You have been taught your duty as a spy, to gather all statistics, facts and information in your power from every source; to ingratiate yourself into the confidence of the family circle of Protestants and heretics of every class and character, as well as that of the merchant, the banker, the lawyer, among the schools and universities, in parliaments and legislatures, and the judiciaries and councils of state, and to be all things to all men, for the Pope's sake, whose servants we are unto death..."*

So that is a vivid description of the soldier level operatives in the Jesuit Order. After acknowledging his prior indoctrination, and repeating after the Superior General, the officer candidate then takes the extreme oath, stating in part:

*"that his holiness the Pope is Christ's Vice-regent and is the true and only head of the Catholic or Universal Church throughout the earth; and that...he hath power to depose heretical kings, princes, states, commonwealths and governments, all being illegal without his sacred confirmation and that they may safely be destroyed. Therefore, to the utmost of my power I shall and will defend this doctrine and His Holiness' right and custom against all usurpers of the heretical or Protestant authority whatever, especially the Lutheran Church of Germany...and the now pretended authority and churches of England and Scotland...and all adherents in regard that they be usurped and heretical..."*

*...I do further promise and declare that I will have no opinion or will of my own, or any mental reservation whatever, even as a corpse or cadaver, but will unhesitatingly obey each and every command that I may receive from my superiors in the Militia of the Pope ... that I will, when opportunity presents, make and wage relentless war, secretly or openly, against all heretics, Protestants and Liberals, as I am directed to do, to extirpate and exterminate them from the face of the whole earth; and that I will spare neither age, sex, or condition; and that I will hang, burn, waste, boil, flay, strangle and bury alive these infamous heretics, ... in order to annihilate forever their execrable race. That when the same cannot be done openly, I will secretly use the poisoned cup, the strangulating cord, the steel of the poinard or the leaden bullet, regardless of the honor, rank, dignity, or authority of the person or persons, whatever may be their condition in life, either public or private, as I at any time may be directed so to do by any agent of the Pope or Superior of the Brotherhood of the Holy Faith, of the Society of Jesus. ...*

So that explains in a nutshell what the Jesuits are sworn on oath to do - to wipe out and exterminate all resistance to the church Militant and restore the Pope as "the God-Father" - as sovereign Lord over the planet - in place of and **instead of**, the Lord Jesus Christ.

When Loyola concluded his presentation, the Pope reportedly cried out, "This is the fingerstroke of God!" So on September 27, 1540, Pope Paul III sealed his approval of the Order with the highest and most solemn form of papal decree, a Papal "bull" ordaining the Jesuit Order, entitled, **Regimini militantis ecclesiae**, "the Supremacy of the Church Militant." The following April, 1541, Loyola was elected as the Jesuit's first Superior General.

By the time the Vatican's Council of Trent was convened in 1545, what began as a minimal society of 60 men had grown into the thousands. After the Council of Trent, which was convened specifically to deal with the Protestant Reformation, the Jesuits set out to literally take over the world, step by step. In addition to hearing confessions and foreign missions, they invaded every facet of European life with fanatical zeal - education, the sciences, music and the arts hearing of confessions, and foreign missions. They focused on Gnostic and secular principles of knowledge and established hundreds of colleges and universities with a long-range goal to control the future leaders of society. They particularly sought to gain control of the education of the children of political leaders and other influential people in the upper classes. Through their leniency in the confessional, they gained the affections of the wealthy and powerful. They infiltrated Protestant churches and were instructed to preach Calvinism in Lutheran churches, Lutheranism in Calvinist churches, or Anabaptism in both, to maintain their cover and to cause division and dissent in those churches.

Much of the apostasy and false doctrine that prevails in Protestant churches today was spawned by these Jesuit infiltrators - including the Pretrib rapture doctrine **and** the **preterist** view of eschatology, two directly opposing doctrinal systems which were **both** designed to defeat the popular view of the Reformers that the Pope fulfilled the prophecies of the Antichrist. The Jesuits are also behind the diabolical assault on the traditional text from which the King James Bible was translated, via the propagation of the Roman Catholic Wescott & Hort Greek text - from which all modern Bible perversions such as the NIV, NASV and ESV are translated.

The popes soon found that the Jesuits were indispensable to the survival of the Papacy, and eventually surrendered the church into the Jesuits' hands, for which the Papacy was rewarded with a resurgence in power. But the cost of this resurgence was great, because the "black pope" and his army became the power behind the papal throne. And they still hold that power today.

The popes continued to extend greater power and privilege to the Jesuits. Pope Gregory XIII authorized their entrance into commerce and banking and control of the Vatican treasury, a power they maintain and wield to this day, thru the Rothschild banking houses and their control of the Bank of Rome, the Bank of England, **and** the American Federal Reserve system.

Protestant Britain soon became the Vatican's # 1 enemy. The Jesuits were responsible for multiple assassination attempts on Queen Elizabeth, for planning an invasion of England by Spain, and for the 1602 "gunpowder plot" to blow up the English Parliament along with King James I, along with many other acts of murder and mayhem on the Continent, which led to their eventual banishment from most of the kingdoms of Europe.

Prior to the Am. Revolution, Roman Catholics were barred from voting or holding public office throughout the British Colonies. As was well documented in the book *Rulers of Evil* by Tupper Saussy,

*"Catholics owed allegiance to Pontifex Maximus, the Bishop of Rome ...a foreign ruler who, as a matter of public policy, regarded the British king and his Protestant Church as heretics to be destroyed...to allow Catholics to vote or hold office was tantamount to surrendering their colonies to a foreign conqueror. A crucial part of maintaining personal liberty in Protestant colonial America was keeping Roman Catholics out of government. But then came the Revolution. The colonial citizenry fought for and won their independence from Great Britain. They established a Constitution that amounted to...surrendering their country to a foreign conqueror - the Pope. Before the Constitution was ratified, American Catholics had few civil rights; after ratification, they had them all...With Article IV Section 3 and the First Amendment, the Constitution welcomed agents of Pontifex Maximus, the world's chief enemy of Protestantism, into the ranks of government."*

That was the supreme goal and great accomplishment of the man who should be seen as America's true founding father, the man that truly engineered the American War for Independence, **Lorenzo Ricci**, Superior General of the Jesuits from 1758 thru 1775. He did this using his network of agents in America and Europe, in a multi-pronged plan executed on several fronts, which included first fomenting the French-Indian War on the American Continent, and that also included the use of a clandestine Jesuit tutor in the house of the King George II of England, namely John Stuart, 3rd earl of Bute.

Bute became “Lord of the Bedchamber” in the King’s house over the King’s grandson, George William, and soon became his surrogate father and beloved mentor. A year later George William’s father, the Prince of Wales, mysteriously died for which the rumor mill blamed Bute, leaving a very young George William, as the heir to the throne.

When George William became King George III of England in 1760 he was a dysfunctional teenager who fearfully turned the British empire over to his surrogate father, John Stuart, 3rd earl of Bute - Jesuit agent. Bute acted swiftly to gain power in parliament, and to pass successive acts of tyrannical taxation against the colonies to turn them against the crown.

Finally on April 19, 1775, the “shot heard round the world” was fired, igniting the American War for Independence. One of the greatest victors of that war was **Lorenzo Ricci**, Superior General of the Jesuit Order, as the Jesuits gained access to American government, over which they later gained complete mastery.

US President Abraham Lincoln had this to say about the Jesuit fomenting of the Civil war:

*“This war would never have been possible without the sinister influence of the Jesuits. We owe it to Popery that we now see our land reddened with the blood of her noblest sons. Though there were great differences of opinion between South and North, on the question of slavery, neither Jeff Davis nor any one of the leading men of the Confederacy would have dared attack the North, had they not relied on the promise of the Jesuits, that, under the mask of Democracy, the money and arms of the Roman Catholics, even the arms of France, were at their disposal if they would attack us.”*

*“The Protestants of both the North and South would surely unite to exterminate the priests and the Jesuits, if they could learn how the priests, the nuns, and the monks, which daily land on our shores, under the pretext of preaching their religion... are nothing else but the emissaries of the Pope, of Napoleon III, and the other despots of Europe, to undermine our institutions, alienate the hearts of our people from our Constitution, and our laws, destroy our schools, and prepare a reign of anarchy here as they have done in Ireland, in Mexico, in Spain, and wherever there are any people who want to be free...”*

Charles Chiniquy, an ex-Catholic priest and courageous Christian preacher, who had become a close personal friend of Abraham Lincoln, said this of Lincoln’s assassination by Jesuit agents:

*“But who was that assassin? Booth was nothing but the tool of the Jesuits. It was Rome who directed his arm, after corrupting his heart and damning his soul.... And, after twenty years of constant and most difficult researches, I am come fearlessly today before the American people, to say and prove that the President, Abraham Lincoln, was assassinated by the priests and the Jesuits of Rome.”*

General **Thomas M. Harris** - who was a physician and U.S. Army Brigadier General during the Civil War, authored a book titled “*Rome’s Responsibility for the Assassination of Abraham Lincoln*”- wherein he wrote,

*“...A foreign political power [meaning Rome by the way] ...has gotten a lodgment in this land of Liberty, and is evidently bent on the destruction of our free institutions, and substituting for them Papal despotism: a despotism that lords it over the minds, the consciences, and the actions of its subjects – and thus renders them incapable of loyalty to any other government.”*

Harris also said this: *“The organization of the Roman Catholic Hierarchy is a complete military despotism, of which the Pope is the ostensible head...”*

[“ostensible” meaning the professed, or superficial head]; Harris said:

*“...the Black Pope is the head of the Order of the Jesuits, and is called a General. He not only has command of his own order, but directs and controls the general policy of the Roman Catholic Church. He is the power behind the throne, and is the real potential head of the Hierarchy...It*

*would seem that the Jesuits had it in mind, from the beginning of the war, to find an occasion for the "taking off" of Mr. Lincoln. The favorite policy of the Jesuits is that of assassination..."*

We would add that same policy was implemented by that same organization almost a century later - against President John Fitzgerald Kennedy.

Since the time of the Civil war, many hundreds of loyal Jesuit agents have occupied top positions in American government. Have you never wondered why, for the last several decades, it doesn't matter who occupies the White House - **American foreign policy never changes**. As an example Barack Hussein Obama lied his way into the White House promising to end Bush's war of aggression in Iraq - only to continue the exact same war policy held by George Bush.

Former president Bill Clinton - who touted himself as a Bible-carrying Baptist - was in fact a loyal Jesuit-trained graduate and class president at Jesuit Georgetown University, before being inducted as a Rhodes scholar and attending Oxford and Yale Universities as well.

Some fondly believe Ronald Reagan was a great American president - but Reagan was just another great **actor**, and a loyal papist - who was the first President to give diplomatic recognition to the Vatican - a diabolical act in itself - and was also the first President to take his oath of office on the west side of the Capitol, facing the obelisk of the Washington Monument - as all presidents since then have also done.

In the Obama Administration alone, 30 appointees to top positions are Jesuit university alumni, including former Sec. of Defense and CIA Director Leon Panetta, Sec. of Defense Robert Gates, Sec. of Homeland Security Janet Napolitano, Sec. of State John Kerry, Office of Management & Budget director Jacob Lew, and WH Chief of Staff William Daley, just to name a few.

From the CIA's inception in 1947 almost every director of that organization has been Jesuit trained knights of Malta or Vatican puppets, as have many other top officials in US government, including VP Joseph Biden, Presidents George Bush I & II and Gerald Ford, former Speakers of the House Newt Gingrich and John Boehner, Current house speaker Paul Ryan, Henry Kissinger, Collin Powell, and Madeline Albright, along with many other powerful men in network media, big business and banking, including JPMorgan, the Rockefellers, the Fords, Tom Brokaw, Walter Cronkite, and the list goes on and on.

As stated earlier, since the 1870's the Jesuit Order has exerted almost total control over American and global politics - up to and including the creation of the Federal Reserve System, that banking cartel's engineered Great Depression of the 1930's and its resulting New Deal Socialism, the fomentation of two world wars, the JFK assassination, the events of 9-11/2001 and then the Patriot acts, the detention centers, electronic surveillance of every citizen, and the rest of the Nazi police state America is being turned into.

There **IS** an unseen hand that guides the official policies of the United States. That's because American political policy - both foreign and domestic - is controlled by the same power that controls the CIA, the FBI, the military, and the network broadcast media - and that power is **Rome**, operating through its Jesuit agents.

## **CONCLUSION**

So to summarize, in Rev. 17 we see this harlotrous woman - an apostate, idolatrous religious system - which IS Rome - riding on the beast of a global military empire - a revived Roman/Babylonian Empire -

We now see that that empire is without doubt the American empire that Rome created, financed and helped her daughter America to build.

America IS the daughter of Babylon, and still takes marching orders from her mother, Babylon the Great - the Mother of Harlots, and Abominations of the earth.

Daniel ch. 9:26-27 shows that the antichrist, who confirms a 7-year covenant with Israel will be aligned with Rome. As we've shown herein, because the American empire IS the revived Roman empire, we have good cause to conclude that the antichrist, the 1st beast of Rev. 13, will rise to power from a political capital HQ'd at Washington, D.C.

**Our conclusion then** - is that *not only* can it no longer be said, as the Supreme Court once declared - that America is a Christian nation - but in truth America has fallen - the secret occult agenda of the many of the founders and of the unseen hand of the Black Pope that that guided the creation of this nation - has finally come to full fruition.

As Christians, we are called out of the darkness of this world and are now citizens of the kingdom of heaven. You need to see that America is the offspring and the tool of the Vatican - that America is a vassal tributary and papal state of the Vatican - and is actually the Vatican's sword being used to build its empire, the New World Order. *Babylon the great is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird...*

Before we close we want to remind you that the Lord says to His people in Rev. 18:4,

*"Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues..."*

We do believe American Christians must separate themselves from Babylon, both spiritually, and also politically. It's time that Christians wake up and see that there **IS no political solution** to America's fall. The political process in this nation is totally controlled by the devil and his henchmen operating through Rome's Jesuit order.

Christians must regain the faith and perseverance of the early church and apostles - who were persecuted and martyred because they **refused** to say **Caesar is Lord** - and of whom the Bible says in Acts 17:7,

*"These all do contrary to the decrees of Caesar, saying there is another King - one Jesus"*

Christians are to pledge allegiance **only** to the Lord Jesus - and **NOT** to any flag. No man can serve two masters - and by the way, neither can the churches.

[video - Osteen-type mega churches, etc.?)

One way we believe Christians must come out of Babylon - is by making a **mass exodus** from the state-incorporated churches that refuse to shed their state-approved and state regulated corporate tax exempt status, that by their 501c3 contract with the **beast** - have literally become federal franchises of commercial Babylon, and have also by that same contract **dethroned** the Lord Jesus, and made the **state** the head of their organization.

[video - US Sup. Ct. Bldg, courtroom scenes, judges on the bench, etc.]:

This is so, because every incorporated church organization is given life as a fictional person in commerce and at law by the ancient **Roman** entity known as a **corporation**, that is itself, and **by law**, a creature of the state, and that is therefore, **by law** - under the control of the state, as has been made clear in multiple US Supreme Ct. decisions.

[video - highlight words in bold]:

**Sec. 501.** Exemption from Tax on Corporations...

**(c).** List of Exempt Organizations...

**(3).** "Corporations . . . **no substantial part of the activities of which is carrying on propaganda or otherwise attempting to influence legislation. . .**"

The corporation is then given a government subsidy called tax exemption, when it agrees to abide by the provisions of Internal Rev. Code section 501-c-3 - which forbids the church from influencing legislation or promoting whatever the IRS and federal government calls "propaganda."

To subject the church to federal and state law in this manner is an **idolatrous betrayal** of the Lord Jesus Christ, who is to be the **sole** and **exclusive** head over His church - and whose lawbook, the **Bible** is to be the only law for the church.

In Eph. ch. 1 the Apostle Paul describes the position God the Father gave to God the Son, declaring:

*"...And hath put all things under his feet, and gave him*

*to be the head over all things to the church,  
Which is his body, the fulness of him that filleth all in all. "*  
Ephesians 1:22-23

*"...And he is the head of the body, the church . . .  
that in all things he might have the preeminence."  
Colossians. 1:18*

However - no state incorporated church can say that the Lord Jesus Christ is "head over all things" or has the preeminence in that church - because in fact and at law - every state incorporated church answers first and foremost to the state.

"Come Out of Her My People."

For thorough documentation of this subject please go to the Sermons page on our website at [www.IndependenceBaptist.com](http://www.IndependenceBaptist.com), download the PDF and listen to the message titled, "Come Out of Her My People." We DO believe true Christians need to come out of all gov't controlled churches that refuse to renounce this status - and to form new churches, true NT churches, under the sole headship of the Lord Jesus Christ.

Beyond that, every Christian should seek God's will as to what He needs to do on a personal level to come out of modern-day Babylon - to be separate from her and to refuse to support her wicked policies and agendas - not only its wicked policies of abortion and homosexual same-sex marriage - but also its wicked **war** policy of creating and supplying rogue enemies like Al Queda and ISIS to wage wars of aggression in the middle-east and to dominate that region. It was through this policy that America conquered Iraq and became the actual possessor of ancient Babylon - which is one more reason we say that America the Beautiful has become America the Babylon. America has not only ceased to be good; America "is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird."

God's judgment and great tribulation IS coming to America. We believe the Lord Jesus says to His people today, "Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues..." God's people need to heed that call.
