

## Only God

### Psalm 62

*It's been a rough week. You are going through a tough time. How are you handling the pressure? Are you afraid of how the situation might turn out? Are you worried about what might happen? What are you going to do?*

I. Speak loudly in \_\_\_\_\_ (1-2).

II. Stand firmly with \_\_\_\_\_ (5-8).

III. See clearly the \_\_\_\_\_ (9-12).

A. Man is \_\_\_\_\_ (9-10)

1. Intimidated by \_\_\_\_\_ (10a)

2. Impressed by \_\_\_\_\_ (10b)

B. God is \_\_\_\_\_ (11-12)

1. His \_\_\_\_\_ (11)

2. His \_\_\_\_\_ (12)

This is why God keeps you waiting. All that is of self and nature must be silence. One voice after another cease to boast; one light after another be put out; until the soul is shut up to God alone.  
- F.B. Meyer

Have you realized that most of your unhappiness in life is due to the fact that you are listening to yourself instead of talking to yourself?  
- Martyn Lloyd-Jones

One expression is here heaped upon another, and this apparently because he wished to rein [restrain] that infirmity of disposition which makes us so prone to slide into wrong exercise. We may throw out a passing and occasional acknowledgment, that our only help is to be found in God, and yet shortly display our distrust in him by busying ourselves in all directions to supplement what we consider defective in his aid.  
- John Calvin

To some God speaks twice and they will not hear once; but to others he speaks but once, and they hear twice.

- Matthew Henry
