

**Spiritual Warfare: The Helmet of Salvation**  
**Ephesians 6:17**

So, this is your first real battle. Are you excited?

In spiritual warfare, the evil one seeks to dispirit us.

How do you fight against discouragement?

Knowing who you are and knowing where you are going.

**What is the Helmet of Salvation?**

You need to keep your head in the midst of the battle.

There are three tenses to our salvation

Past Salvation, what God has already done for you.

Present Salvation, what God is doing in you.

Future Salvation, what God is preparing for you.

Assurance of salvation yields confidence in the battle.

**How do we take the Helmet of Salvation to ourselves?**

Unpacking your salvation. Entering into the present benefits of salvation

I can enter into spiritual warfare knowing that I will not lose.

Satan often attacks our assurance!

So, how can you be assured of your salvation?

You must believe the gospel invitation.

You must rest in gospel transformation.

You must stand on gospel promises.

You must hope in gospel glory.
