September 14, 2008

Observations:

The Place-3:1

The Passion-verses 2-4

The Perspective-verse 5

The Promise-verse 6

The Pain-verses 7-9

God knows your name.
God feels your pain.

Objections:

who am I? - verses 10-12

who is God? - verses 13-15

what if they won't believe me? - 4:1-9

what if they misunderstand me? 4:10-17

Application:

why is Moses such a significant figure in scripture?

On a scale of 1 to 10, where are you in your spiritual journey? would you say that you are in a desert place or would you say that you are growing in grace?

what is true humility?

Discuss Moses objections to God's call in his life. Have you ever responded like Moses did to God's call for some specific task He had for you?
