Text: Romans 7:7-13

Is Paul teaching against the Law?

John 8:44

Several ways sin deceives!

1. Sin deceives you by making you think you are making the right decision based merely on your limited view of the prospects.

2 Corinthians 11:3

Ephesians 4:20–22

Hebrews 3:12–13

Proverbs 14:12

2. Deceptive sin - Makes you think you are making the right decision based on your twisting and qualifying the Word of God.

Genesis 3:1–3

3. Another way it deceives: It makes you look at outward actions instead of the heart!

Philippians 3:4–6

4. Another way it deceives: “This commandment is not fair!”

Genesis 3:5

5. Sin deceives by telling you “God is depriving you!”

Genesis 3:6

6. Sin deceives when it says “It’s too late to repent, you might as well keep on sinning.”

Psalms 73:25–26

1 John 1:9
