

“I and My Father are ONE”

John 10:30-42

Introduction: v.27-30

****Jesus Christ expressed His equality with God by claiming to be one with God the Father.***

Why would anyone reject Christ's claim to be one with God the Father?

4 validations of Christ's oneness with God the Father:

- I. ***Christ's oneness with the Father is validated by His GOODNESS (v.32)***
(His claim to be “one” with God is perfectly consistent with His Righteous Deeds)

- II. ***Christ's oneness with the Father is validated by The SCRIPTURES (v.33-36)***
(His claim to be “one” with God is perfectly consistent with the Scriptures; The O.T. Scriptures allow for Christ's claim to be “God”)

- III. ***Christ's oneness with the Father is validated by His WORKS (v.37-38)***
(His claim to be “one” with God is perfectly consistent with His Miraculous Works)

- IV. ***Christ's oneness with the Father is validated by His FOLLOWERS (v.39-42)***
(His claim to be “one” with God is perfectly consistent with the Multitudes who Follow Him)
