Praxis

1. What s some of the “food that perishes” that we may be tempted to seek to get from Jesus?
2. How can you avoid joining the John 6 crowd when you pray “give us our daily bread”?
3. Mormons & Roman Catholics will complain that salvation by simply “believing in the One whom He sent” as surely leading to eventual unholy living... How would you answer this accusation? How does Paul answer this accusation in Rom 6? How do Jesus’ words in John 6:37, 40, 44, 63, 65 bear on this question?
