1. It is the gospel that provides the framework for right \_\_\_\_\_ and feeling about the world.

2. Those who are partakers of the grace of God in Christ share common \_\_\_\_\_ in this world.

*“If you assist and comfort those who suffer for the gospel of Jesus Christ, you are in their hearts, companions of their bonds, partakers of their troubles, and of their \_\_\_\_\_.” - Jean Daille*

a. The \_\_\_\_\_ stands in opposition to the gospel and those who believe it.

b. Believers live in courageous \_\_\_\_\_ to their Lord and Savior, not to the opinions of the world.

3. Those who are partakers of the grace of God in Christ share the common task of \_\_\_\_\_ the gospel.

*“God calls His people, not only to \_\_\_\_\_ the objections of unbelievers, but also to go on the attack against falsehood.” - John Frame*

4. Those who are partakers of the grace of God in Christ share the common task of \_\_\_\_\_ the gospel both in their words and in their lives.

*“As believers we experience the very same affection that Jesus Christ showed those He encountered, because Christ lives in us to experience and express that affection for others. Paul's deeply emotional expression of Christian affection in this verse is not primarily the sign of a gushing temperament, but of a gushing \_\_\_\_\_.” - Matthew Harmon*
