

How Good It Is To Sing, from Psalm 147

by Janice L. Work, April 20, 2017

1. Praise the LORD! How good it is to sing;
Praise to God, our Lord and heav'nly King.
It is fitting; it is only right;
To praise the One Who heals and gives us light.
2. Great, our LORD, and mighty in His pow'r;
He counts stars and waters with a show'r.
Great, our LORD. His thoughts are beyond measure;
He lifts the humble and counts them as His treasure.
3. The LORD declares His Word to His elect;
None are so blessed, No one else His rules respect.
The LORD delights in those who know and fear Him;
His unfailing love is what we have to hope in.
