

Message Title: Proving God's Will Pt-3

Theme: This continues with the study of how to prove that the work we do for God is actually what He wants us to be doing instead of what we think He wants.

We make choices when purchasing gifts based on what we think the receiver will like but sometimes it becomes a disappointment to both the giver and receiver. That is why God has made a provision for us to find out from Him if we are truly doing what He wants and way He wants.

When Adam and Eve ate of the forbidden fruit they gained the knowledge of good and evil and through that we believe that if we do good, everything will be ok when we meet God, but we have learned from the Bible that all have sinned and no matter how hard we try we can't get rid of our sin without asking Jesus to remove it. The belief that we can live good enough is what King Solomon was talking about when he wrote Proverbs 14:12, "There is a way which seemeth right unto a man, but the end thereof are the ways of death."

It is natural to believe in ourselves, to think that we are right about what makes sense to us, especially when we are obviously doing good things. The problem is not with what we are doing, like buying a gift, but rather is it the right gift and are we buying it for the right reason.

We can do many things in God's name that we will feel good about, but are they God's choice or ours? According to Romans 12:1-2, they may not be, so God has given us a way to be sure and prevent a major disappointment when we meet Him.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease. ,
