

**Noah: His Transformed Character, His Strange  
Commission, His Obedient Conduct  
Genesis 6:9-22  
December 1, 2019**

The flood is a prototype of God's final judgment and salvation.

Is our culture ripe for judgment?

Are there any Noah's in the crowd today?

The flood is also a story of salvation. (1 Peter 3:18-21)

**Noah's Transformed Character**

How is Noah a contrast? What does his name mean? (Gen 5:29)

**God's Favor**

Noah found it, in Genesis 6:8.

Which came first, the chicken or the egg?

Where does faith come from? (Ephesians 2:8-9)

Noah was righteous - blameless - walked with God.

**Noah's Strange Commission**

This is a big ask.

Are we ashamed to suffer ridicule for the cause of Christ?

*"Noah did this; he did all that God commanded him."*

**I have established/ confirmed my covenant with you. v 18**

What is this covenant of grace?

God is preserving the seed of the woman; God is keeping his promise.

The Covenant is what God promises to do, we embrace his gift by faith.

### **Noah's Obedient Conduct**

He did every thing that God told him to do. V 22

Holiness is counter cultural.

The flood shows that God's mercy has limits. (2 Peter 3:4-7)

The candle is still burning.

Many people tremble at the warnings of Scripture, and they should.  
But hear the grace of God for the people of God. (Isaiah 54:9-10)
