

Saved By

Ephesians 2:4-6

October 18, 2015

An accurate view of fallen man will lead you to despair; perhaps even desperation.

Coming to an end of yourself.

But God

Made us alive? What does that mean?

We learned of what man is by nature, now we learn about God - his nature.

Who is God?

He is rich in mercy

He has great love, even for us.

Hesed (Exodus 34:6; Ps 103:8; Jonah 4:2)

Because of his great love with which he loved us. (Romans 5:5, 8; 8:39; Eph 5:2, 25)

Made us Alive Together with Christ

God gives new life. He changes our nature.

Does faith save?

By Grace you have been Saved.

What is grace?

Seated us with Christ in heavenly places in Christ.

Why is God gracious to us?

He is Displaying in us the Surpassing Riches of his Grace v 7

We all want someone to love us for who we are.

What draws out God's love and mercy towards us? Was it our faith?
