Praxis

1. Do you struggle to find the balance of rest & work? What principles from God's Word should guide us in finding that balance?
2. What is a responsibility God has given you that you feel adequate to fulfill? What do you feel inadequate to fulfill?
3. How can you better give "personal attention" to those God has placed in your path?
4. Thought Question: If the Prosperity preachers have misused 2 Cor 9:10, what is the right way to understand that promise?
