Genesis 15  
February 23, 2020

Who can you trust?

Are all men, men of integrity?

Can you trust God?

What causes men to doubt the faithfulness of God?

**Abram waited 25 years.**

The Seed Promise

The Land Promise

**Assurance from God**

“Fear not, Abram, I am your shield; your reward shall be very great.”

Why might Abram have been fearful?

**Faith Questions the Promise**

Seed Promise “But, I still have no child, no heir. My servant will inherit all that I have. Is that how you will fulfill the promise?”

Is he asking in faith, or in unbelief? (Zechariah, Hezekiah, Gideon)

God is not afraid of your honest questions, and there are answers that you can rest in.

**Confirmation of Faith**

Look at the stars, so shall your descendants be.

**Abram believed.** He took God at his word, he believed the promise, embraced it by faith. (Galatians 3:8-9)

**Land Promise**

How can I know that I shall possess it?

Prophecy and Promise

**Promise of the Land.**

Children say, "I promise. I really promise. I really, really promise."

Let's cut a covenant.

What more can God give?

How can you know that you can trust someone?

God has never failed. He never will.

Find God's promises in the Word. Trust them. Act upon them.
