

Elements of Biblical Interpretation: New Testament Gospel History

New Testament Gospel History. Our faith is so tied to the events of the NT. God picked a spot for the Drama of Redemption, and that history is so tied to the Land and the Book. Again, the history of the New Testament is written is a flow that ties each of the 27 pieces together. The books are each in themselves a map that traces the history so dear to us. Come and see how our New Testaments are 27 books but one amazing event: Christ! Matthew, Mark, Luke, John, & Acts all are filled with real historical sites you can see, feel, and almost hear the sounds of what really happened there just as your Bible records.
